

The spirit of Africa workshop and divination with Malidoma Somé, PhD

**Friday, 30.07.10 8 p.m. - Sunday 01.08.10 12 a.m.
Divination on 02. - 03.08.2010**

Malidoma Somé, PhD, is one of today's most eloquent champions of indigenous wisdom. His life and teaching form a bridge between the traditional ways of his people, the Dagara of West Africa – among whom he is an initiated elder – and the modern world. He is a gifted medicine man and diviner, as well as a compelling teacher and author. For more than twenty years, Malidoma has shared the ancient knowledge of his tribe with people in the West who are increasingly disconnected from their ancestors, spirit, and the richness of life in community. His voice awakens in our hearts the recognition that we are all born with a life purpose to fulfil and that we can do so in a deep and abiding relationship with all beings.
